**Sag Harbor, NY 11963**

Adventuresail is an event sponsored by the Town of Southampton and the National Women's Sailing Foundation, hosted by regional Yacht Clubs, where local At-Risk Girls between the ages of 10-15 serve as "crew members" on sailboats, and participate in a race in Sag Harbor. The race lasts approximately 1-2 hours. This type of activity exposes the girls to new sporting experiences and fosters self-esteem.

After the race, the participants will gather at the Yacht Club for an "After-Race" party, and awards ceremony.

A select number of Breakwater sailing school scholarships will be available to the participants (which normally cost over \$300)
