

## **BREAKWATER YACHT CLUB CRUISING CLUB**

### **Sailors Wanted!**

Hi, my name is Drew Clark and my wife Peggy and I sail our 1982, 30' C&C Free Flight out of the Sag Mooring field. As a member of the BYC Board, I am attempting to promote Day Cruising (to begin with) among club members.

Our day cruises should be relaxing and enjoyable. We can schedule some sails picking a destination. That could change depending upon wind direction and speed. We could schedule a day and destination, leave Sag at 8 or 9 am, and have lunch at the destination and return. If you wish you may choose to stay overnight and return the next day. It would be your choice. As the day approaches and the forecast looks bad we will reschedule. The whole idea is to have fun and sail to "new" places within your comfort zone.

Some of the destinations (we welcome suggestions):

- Gardiners Island (windmill)
- Shelter Island (West Neck or Dering Harbor)
- Deven Yatch Club (Promised Land)
- Cutchogue Harbor
- Orient Harbor
- Red Creek Pond
- Coecles Harbor (maybe and afternoon departure, secure a mooring at the Rams Head Inn, have dinner and stay the night. A June, July, or Aug full moon would be nice. July and Aug have Fri and Sat night full moons at mid month)
- Block Island, Newport and Cuttyhunk might be a "someday" destination

If you are interested, please let us know when you return your membership dues and what days of the week would be better for you? (weekdays or weekends)

Our biggest problem would probably be communication especially on last minute weather decisions. We will compose a list of interested sailors with phone #'s and email addresses.

Come join us and have some fun!
